What will I see?

Liberty Science Center is a great place to come with friends or to visit with young people because there is something for everyone! Learn about:

- >> **Communications**
- >> **Predators and prey**
- >> **Skyscrapers**
- >> **The Hudson River environment**

And much more, designed for all ages and stages of learning.

What else?

Don't miss seeing a breathtaking film in the nation's largest IMAX® Dome Theater, then enjoy dining in Café Skylines and shopping in our one-of-a-kind gift shop.

Come to think of it.™

Liberty Science Center is senior-friendly

- >> Free demonstrations given by our knowledgeable staff
- >> Guided tours available several times daily
- >> Plenty of seating
- >> Large, high-speed elevators
- >> A one-of-a-kind gift shop and outstanding café
- >> Discounted admission with coupon (see below)

How do I get started?

1. Pick a good day for your visit. On school days, it's best to come in the afternoon M-W. When schools are not in session, come in the morning before most guests arrive.
2. Visit the website and select an IMAX film, then call 201.200.1000 to make a reservation.

It's easy to get here; we are located in Liberty State Park adjacent to the NJ Turnpike (Exit 14B westbound; 14C eastbound) and the Hudson-Bergen Light Rail, just a stone's throw from the Statue of Liberty.
